Professional summary

I am a Senior Graphic Designer with 8+ years of experience in designing and creating visuals for corporate brands. I have extensive knowledge of design software and programs such as Adobe **Photoshop, Illustrator, and Corel DRAW** . My greatest strength is my ability to create a compelling visual story that speaks to the target audience. I have a knack for understanding customer needs and creating visuals that meet their requirements. My creative thinking and problem-solving skills are what sets me apart from other designers. My biggest achievements include developing brand identities for several global companies, creating print materials for marketing campaigns, and designing Brochures for small businesses. I am committed to delivering high-quality work on time and within budget. I am confident that my experience and skill set make me an ideal candidate for this position.

Experience

May 1998 - Now

Pakistan

Professional Graphic Designer

I have over Seven years of professional graphic design experience, utilizing cutting-edge tools to create visually appealing designs. I have designed logos, posters, Banners, Brochures, Catalogs, Businesscard, and other marketing materials to help companies promote their products or services. My experience has allowed me to develop an eye for detail and the ability to handle complex projects with confidence.

Best Graphic designing Skills

I'm a graphic designer with over 7 years of experience in the industry.

I'm a graphic designer who specializes Graphic design, logo design, and brand identity. I know what it takes to create a cover that will catch someone's eye and compel them to pick up your Business or click on your logo.

I'm also an expert at creating custom fonts for logos and branding purposes.

My passion for typography is one of the things that led me into this career—I love working with new fonts and seeing what they can do!

I've worked with clients all over the world, including authors from the United States, India, Pakistan, Nigeria, US and more.

I've designed over 100 covers in my time working as a freelancer, so you can be sure that I'll come up with something amazing for yours!
